

Sons of Serendip

Thursday, April 4, 2024

Sons of Serendip is a musical group of four friends, who through a series of serendipitous events, came together in graduate school at Boston University. In 2014 they came together to begin what they know will be a long beautiful journey of creating music that touches people's hearts by competing and becoming finalists on *America's Got Talent*, Season 9 (NBC). The group was also featured on the inaugural season of *America's Got Talent: The Champions*. They hope that their music will resonate deeply with listeners and that, in some way, it will make their lives a little better – even if just for a moment.

"Sons of Serendip are the most musically talented contestants on the show." - Howie Mandel (America's Got Talent)
